

Ryzom - Feature # 100

Status:	Assigned	Priority:	Normal
Author:	kaetemi	Category:	
Created:	09/12/2008	Assignee:	kaetemi
Updated:	09/29/2010	Due date:	
Subject:	Multi-channel buffers		
Description			
Implement support for buffers with more than 2 channels in OpenAL (using AL_EXT_MCFORMATS) and XAudio2 drivers. Required for moving music channel (ogg, etc) logic from drivers to nlsound.			

History
