

Ryzom - Feature # 1048

Status:	Closed	Priority:	Normal
Author:	aquiles	Category:	Tools: General
Created:	08/03/2010	Assignee:	kervalala
Updated:	11/06/2010	Due date:	
Subject:	getType() in UFormElm		
Description			
I'd like to know the type of an form element (string, int, color etc) without using the "c"-classes.			

History

#1 - 08/03/2010 03:29 pm - aquiles

- File *getType.patch* added

heres a patch for what i want :)
