Ryzom - Bug # 1213

Status:	New	**Priority:**	Normal
Author:	nimbus3	**Category:**	Services: General
Created:	12/11/2010	**Assignee:**	
Updated:	12/11/2010	**Due date:**	
Subject:	Simple problem with I think a simple solution		

Description

Don't know if this has been reported before by someone else but.
I keep getting this same Message log popping up when I close the server.

A failed assertion occurs
ProcName: **..**1.106/AIS-133
Date: 2010/12/11 22:24:30
File: C:\ryzom\ryzom\code\nel\include\nel/misc/smart_ptr.h
Line: 518
FuncName: NLMISC::CDbgRefCount<class IAiFactory<class IFamilyProfile> >::~CDbgRefCount
Reason: "_DbgCRefs==0"

Log with no filter:

Log Starting [2010/12/11 22:24:30]
2010/12/11 22:24:30 192.168.1.106/AIS-133 AST   874 smart_ptr.h 518 : "_DbgCRefs==0"

If you note "C:\ryzom\ryzom\code\nel\include\nel/misc/smart_ptr.h" in the log, should this not be
"C:\ryzom\ryzom\code\nel\include\nel\misc\smart_ptr.h" replace the two / with \

Regards
