What client are you using please ? It should be fixed in Hg.

#2 - 07/05/2011 05:36 pm - velogfx

sorry. forgot to add my client info.
it`s rti r1610-ALsoft mac build.

Hehe, bad luck :p The fix has been commited in revision r1611 :)

You'll have to wait for another Mac OS build :)

#4 - 07/05/2011 05:41 pm - velogfx

allright! close it than ;)
thanx

You're welcome.

I'll prefer to be sure before to close it :)

#6 - 07/05/2011 06:19 pm - rti

- Status changed from New to Closed

- % Done changed from 0 to 100

It is fixed.

The problem disappeared in a new build (>= r1611).
