

Ryzom - Bug # 1395

Status:	Assigned	Priority:	Normal
Author:	Botanic	Category:	Tools: Build Gamedata
Created:	11/15/2011	Assignee:	sfb
Updated:	12/10/2011	Due date:	
Subject:	6_client_patch crash		
Description			
6_client_patch crash's			
error:			
[[A failed assertion occurs			
ProcName: patch_gen.exe			
Date: 2011/11/15 12:36:35			
File: ..\..\..\ryzom\tools\patch_gen\patch_gen_common.cpp			
Line: 395			
FuncName: CPackageDescription::generatePatches			
Reason: "NLMISC::CFile::fileExists(patchFileName)"			

Log with no filter:

History

#1 - 11/15/2011 09:42 pm - Botanic

This is the error I get when running this patch: <http://codepad.org/aSh7QN8r>

#2 - 11/17/2011 06:00 pm - sfb

- *Status changed from New to Assigned*

The error pasted was evidently from left-over cruft but is very similar to the original problem. The original problem is that patch_gen sends 'nul' as a filename to xdelta so that xdelta has no file information to generate a patch against - ideally the patch is then the full original file.

The problem is that when xdelta calls stat() on some operating systems it receives an error because stat is unable to retrieve information about the 'nul' meta-file. The solution to work around this is to create a temporary file that is empty and use that instead of nul.

#3 - 12/10/2011 07:57 am - Botanic

here is teh patch...

#4 - 12/10/2011 07:57 am - Botanic
