Ryzom - Bug # 1436

Status:	Resolved	**Priority:**	Normal
Author:	sfb	**Category:**	Build
Created:	02/29/2012	**Assignee:**	sfb
Updated:	03/12/2012	**Due date:**	
Subject:	Fix the build for the patchman_service (PMS)		
Description			

The patchman_service (PMS) is a service used to distribute patch updates between the various servers and services of the shard. It needs a valid CMake build and some fixes for the increased strictness of modern compilers. Additionally we're missing one of the game_share modules it relies upon.
