Subject:	fix cmake build: link nelmisc library with libpng		
Description	We need a first fix to get nelmisc compiled using libpng using cmake.		

History

#1 - 02/24/2009 11:18 pm - Spex

- File 0004-fix-cmake-build-link-nelmisc-library-with-libpng.patch added
- Assignee set to Spex

int-e provided a first fix to add libpng to NeLMisc dependencies. We will need a more sophisticated patch later on to be able to configure library path and such similar to all the other libraries and/or disable libpng usage(?). See attached file for the patch.
