

Ryzom - Bug # 760

Status:	Closed	Priority:	Normal
Author:	sfb	Category:	Tools: General
Created:	10/22/2009	Assignee:	sfb
Updated:	10/02/2010	Due date:	
Subject:	CMake: Object Viewer still seeks out object_viewer.dll		
Description			
<p>The Object Viewer compiled by CMake does not look for object_viewer_dll_r.dll, it is still looking for object_viewer.dll when loading. I confirmed that the projects stored within Subversion are creating object_viewer_r.dll files and not object_viewer.dll files.</p>			

History

#1 - 10/22/2009 08:20 pm - sfb

- Status changed from New to Resolved
- % Done changed from 0 to 100

Applied in changeset r1855.
