

Ryzom - Feature # 997

Status:	Assigned	Priority:	Normal
Author:	kerozcak	Category:	Client: General
Created:	06/22/2010	Assignee:	kerozcak
Updated:	06/22/2010	Due date:	
Subject:	Allow client to reconnect without client restart		
Description	When client disconnects (FS lost) it's required to restart client. There should be reconnect option without restarting client.
