

## Ryzom - Feature # 1048

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	aquiles	<b>Category:</b>	Tools: General
<b>Created:</b>	08/03/2010	<b>Assignee:</b>	kervalala
<b>Updated:</b>	11/06/2010	<b>Due date:</b>	
<b>Subject:</b>	getType() in UFormElm		
<b>Description</b>			
I'd like to know the type of an form element (string, int, color etc) without using the "c"-classes.			

### History
