Thanks a lot for your report :)

Please could you explain how did you get this crash ? And if it can be reproduced.

It's related to Lua so it could be some parts of code not well adapted from lua 5.0 to 5.1

### #2 - 10/02/2010 05:53 pm - Gulivert

The bug is very frequent but I don't know why it appear. I just played and sometimes the client crash with this error, always the same.

I don't guess I make something special just before the crash.

Sorry it's difficult to more help you.
