

Ryzom - Bug # 1118

Status:	Rejected	Priority:	Normal
Author:	FatDevil	Category:	Build
Created:	10/04/2010	Assignee:	
Updated:	10/04/2010	Due date:	
Subject:	Bug fix for ryzom core services: "not found -lnet"		
Description			
<p>Services not building because ld return error - not found -lnet. Nel through the compile cmake-system detected error in file - /nel/src/net/unified_network.cpp</p> <p>error text: " \$RYHOME/nel/src/net/unified_network.cpp:69: error: 'numeric_limits' is not a member of 'std' "</p> <p>simple fix: add including <limits>.</p> <p>File with "change" attached.</p>			

History

#1 - 10/04/2010 06:08 pm - kerval

Please could you check again ?

```
#include <limits> is already in stdnet.h
```

If has been fixed in r913

#2 - 10/04/2010 10:02 pm - FatDevil

Yeagh. Compiling and building now without problems.

#3 - 10/04/2010 10:04 pm - kerval

Thanks a lot :)

#4 - 10/04/2010 10:04 pm - kerval

- Status changed from New to Rejected
