

Ryzom - Bug # 1128

Status:	Assigned	Priority:	Normal
Author:	sfb	Category:	Build
Created:	10/14/2010	Assignee:	sfb
Updated:	01/08/2011	Due date:	
Subject:	Convert NeL Unit Tests to use config.h		
Description			
<p>Convert NeL Unit Tests to use config.h instead of CMake defines. Right now we have NEL_UNIT_BASE being passed to the compiler via the -D command line parameter. Different versions of of CMake have been handling this in different ways. We should push the source path of the unit tests to the unit test compilations through configure_file and config.h</p>
