

## Ryzom - Feature # 1150

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	aquiles	<b>Category:</b>	Tools: Georges Qt
<b>Created:</b>	10/31/2010	<b>Assignee:</b>	aquiles
<b>Updated:</b>	12/07/2011	<b>Due date:</b>	
<b>Subject:</b>	Rewrite georges editor with qt		
<b>Description</b>	Currently the georges editor is a mfc application. To be cross plattform this tool should be converted from mfc to qt.		

### History
