

Ryzom - Feature # 1292

Status:	New	Priority:	Normal
Author:	molator	Category:	
Created:	05/06/2011	Assignee:	
Updated:	05/06/2011	Due date:	
Subject:	Linux Script Shard Start		
Description			
<p>Here a replacement script to run the linux shard using the legacy script.</p> <p>I've updated the services names and paths to match the current repository.</p> <p>If the binaries are in /home/ryzom/ryzom/build/bin (or whatever), add /home/ryzom/ryzom/build/bin to the PATH.</p> <p>If the binaries are in /usr/local/sbin (if you used make install), nothing to change.</p>
