Ryzom - Bug # 1447

Status:	Closed	**Priority:**	Urgent
Author:	kervala	**Category:**	OS: Mac
Created:	03/09/2012	**Assignee:**	kervala
Updated:	03/31/2012	**Due date:**	
Subject:	PCH don't work anymore on Mac OS X		
Description			

PCH don't work anymore on Mac OS X since they replaced GCC by CLang and PCHSupport only detect VC++, NMake, GCC and Xcode.

But that's not really a problem since CLang is using the same flags as GCC.
