

## Ryzom - Bug # 1512

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	glurf	<b>Category:</b>	Client: General
<b>Created:</b>	12/05/2012	<b>Assignee:</b>	
<b>Updated:</b>	12/05/2012	<b>Due date:</b>	
<b>Subject:</b>	Client crash		
<b>Description</b>			
<p>When running the linux client ( a compiled version with symbols), it crashed while i was walking in the region of the city of intuition. I was next to the zone A (or B, i don't remember) for the cartographer occupation. Copy of the gdb log attached below</p>
