**Subject:** CMake should install NeL pkg-config files

### Description

When using automake, all .pc files were installed. It should be very useful to install them too with CMake.

There are other files to be installed too (for example: .spec files)

Without that, we can't detect nel presence if it's not installed in a common location.

### History

#### #1 - 07/25/2010 05:36 pm - kervalala

- Status changed from New to Closed
- Assignee set to kervalala
- Target version set to Version 0.7.0

#### #2 - 07/25/2010 05:41 pm - kervalala

- Target version changed from Version 0.7.0 to 0.8.0
- % Done changed from 0 to 100

#### #3 - 09/29/2010 09:49 pm - kervalala

- Project changed from NeL to Ryzom
- Category changed from Build to Build
- Target version deleted (0.8.0)

#### #4 - 10/02/2010 11:46 am - kervalala

- Target version set to Version 0.8.0
