

## Ryzom - Feature # 860

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	kervala	<b>Category:</b>	Build
<b>Created:</b>	05/09/2010	<b>Assignee:</b>	kervala
<b>Updated:</b>	09/10/2010	<b>Due date:</b>	
<b>Subject:</b>	Remove/convert/update old projects		
<b>Description</b>			
<p>For some tools, there are .dsp and .dsw files for Visual C++ 6.0 or .vcproj for Visual C++ 7.1 or 8.0.</p> <p>We should convert them to Visual C++ 2008 (and fix their settings) and remove them after conversion.</p> <p>And for VC++ 2008 projects with only 32bits configuration, add a 64 bits one :)</p> <p>We could also remove old plain "Makefile" for NeL.</p>			

### History

**#1 - 05/09/2010 11:52 am - kervala**

- % Done changed from 0 to 20

**#2 - 05/09/2010 11:54 am - kervala**

I also removed the user elevation needed for launching client

**#3 - 05/09/2010 02:35 pm - kervala**

- Subject changed from Remove/convert/update Visual C++ projects to Remove/convert/update old projects

**#4 - 05/11/2010 09:29 pm - kervala**

- % Done changed from 20 to 60

**#5 - 05/18/2010 10:25 am - vl**

- Target version set to Version 0.8.0

**#6 - 06/08/2010 06:50 pm - kervala**

- Status changed from Assigned to Resolved

- % Done changed from 60 to 100

**#7 - 09/10/2010 10:46 am - kervala**

- Status changed from Resolved to Closed
