

Ryzom - Bug # 944

Status:	Closed	Priority:	Normal
Author:	aquiles	Category:	NeL: General
Created:	05/27/2010	Assignee:	kervalala
Updated:	05/28/2010	Due date:	
Subject:	Bloom for non NV Cards on OpenGL		
Description			
<p>Hello,</p> <p>as my client didn't want to let me activate bloom i digged a little bit into the opengl_driver and found out that he asks for the GL_NV_texture_rectangle extension. After some research it seems that GL_EXT_texture_rectangle is equal for non NV Cards so i tried to activate this extension and it worked :)</p> <p>So here is a little patch for it.</p> <p>Please note that i have no experience with OpenGL and don't know if i did everything the right way.</p> <p>Greetz, aquiles</p>			

History

#1 - 05/28/2010 03:17 pm - aquiles

- Status changed from New to Resolved
- % Done changed from 0 to 100

Applied in changeset r231.

#2 - 05/28/2010 03:18 pm - kervalala

- Category set to NeL: General
- Assignee set to kervalala
- Target version set to Version 0.8.0

I just had to change the label to "Fixed: #944 Bloom for non NV Cards on OpenGL" so it can close the associated issue :)

Thanks a lot for your patch :)
